There's Only One Water Heater As Faithful as the Marathon

Old Faithful and Marathon provide hot water dependently, year after year, without worry. But one is owned by the government and located in Wyoming; the other is available through Butler REC.

So now you can have your very own "Old Faithful" efficiently providing hot water for a lifetime.

Butler REC

A Touchstone Energy® Cooperative 

**Only \$199
installed!**

High-speed Internet, brought to you by rocket science.

WildBlue put a satellite in space to make country life better.

So dial-up users can finally stop waiting,
And start enjoying the best of the Internet.

Think about it:

Photos and music download up to 30x faster.

More work gets done from home

(It's a great excuse anyway).

And you're that much closer to having it all..

With 24/7 support and zero busy signals.

Even the crickets seem to chirp faster.

Hey, over 325,000 customers can't be wrong.

Why wait?

For more information call Butler at
800-594-0103 or visit www.butler.coop

CONVECTAIR

Call 800-464-0060

- ▶ Built-in thermostat
- ▶ 500 to 2000 watts, 208/240 volts
- ▶ 500 or 1250 watts, 120 volts (plugs into a 120V outlet)

The Apero works on the proven principle of natural convection and its thermostat control is sensitive to 1/5 degree F. It's the perfect choice when you need to replace an old baseboard heater or in your home where your central heating system doesn't heat adequately.

- ▶ Two-year guarantee on manufacturing and material defect.
- ▶ Five-year guarantee applies to the heating elements.
