

PERMISSION AGREEMENT

Trees account for the majority of the electric outages and blinking that Butler REC members experience every year. You can help us control the tree problem that we have by giving permission for Butler REC and/or our Contractor to cut to the ground, spray, trim or doze trees from problem areas.

Please Circle **all permitted** methods on property described below.

- * Doze the Trees Out
- * Cut the Trees to the Ground
- * Chemically Kill the Trees
- * Trim to US Dept. of Agriculture (RUS) Approved Clearances
- * Other _____

These trees are identified and located as follows:

Butler REC

Your Touchstone Energy[®] Cooperative 

Your Permission Is Granted: I hereby give permission to Butler REC or its Contractors for a period of (3) years to take the above approved action in dealing with the trees at the above stated location. And I understand that this will be done during Butler REC's normal right-of-way maintenance program and not immediately.
